

**The Award Cash Management Service (ACM\$)** is NSF's approach to award payments and post-award financial processes. This approach requires the submission of award level payment amounts each time funds are requested. Awardee Preparers, Certifiers and Financial Representatives are able to access ACM\$.

## Access the Award Cash Management Service

To access ACM\$, financial users must go to Research.gov and complete the following steps:

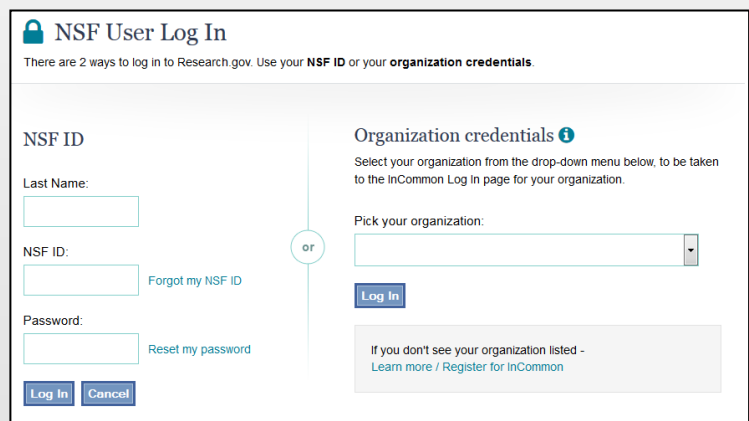

**1.**

On the Research.gov homepage, select **Log In** at the top of the page.

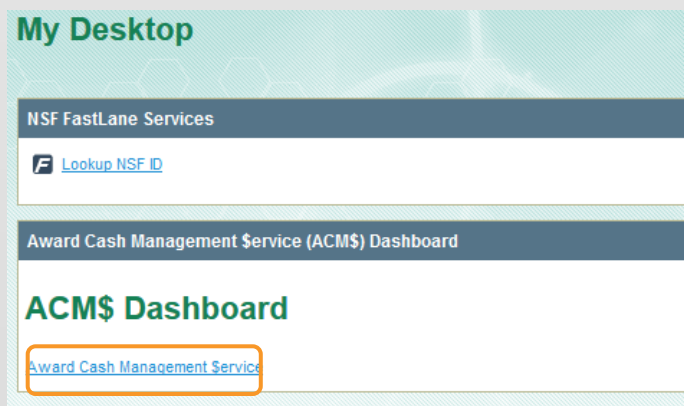

**2.**

On the NSF User Log In page, enter your Last Name, NSF ID, and Password (same as FastLane ID and password) and click **Log In**. If your organization appears in the drop-down list, you can log in with your organization credentials.

**3.**

Click **Award Cash Management Service** underneath ACM\$ dashboard.

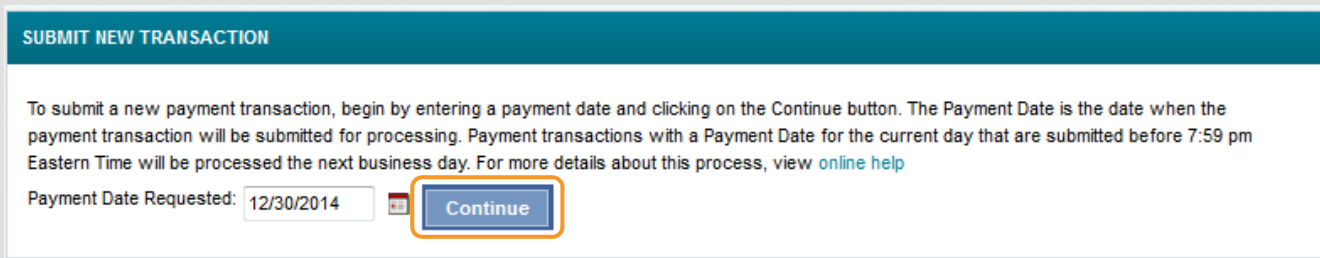

## Review your Organization Summary Page

The Organization Summary Page shows transactions requiring attention; the links for submitting new transactions or searching for transactions or awards; and transaction status lists for draft transactions, transactions awaiting certification, and transactions received by NSF.

## Create a Payment Transaction

**1.** Awardee preparers can navigate to the Submit New Transaction box. Enter a payment date and click Continue. Current date is default or can be changed to future date for warehousing.

**Note:** The Submit New Transaction box will only appear when you are logged in as a Preparer.

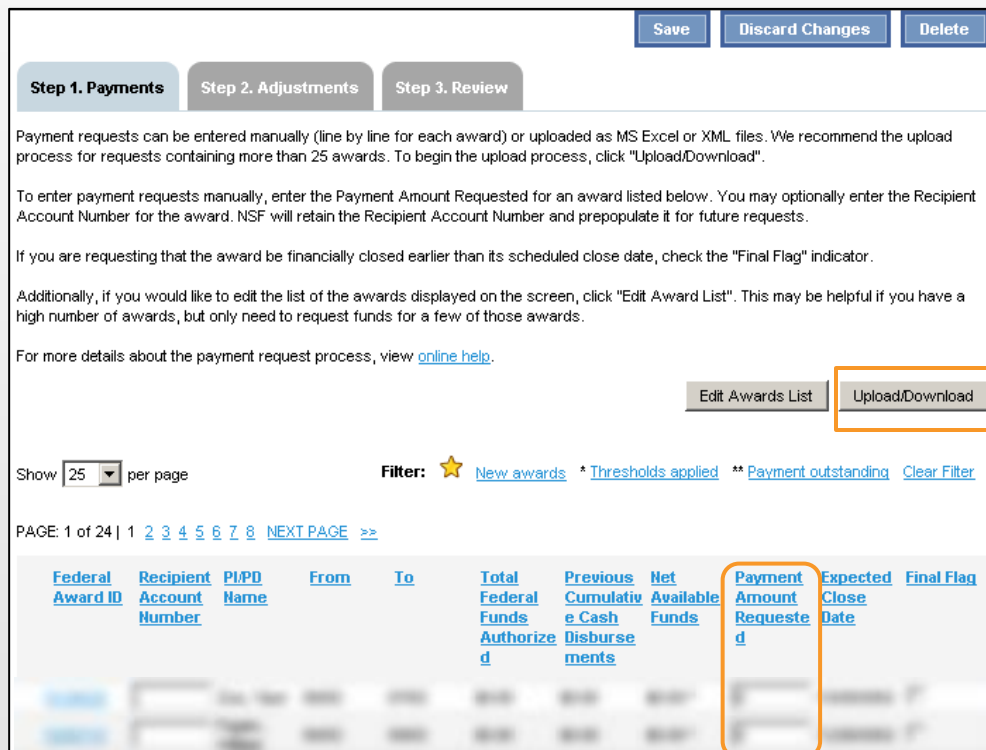

## Create a Payment Transaction

**2** To create a payment transaction, for open awards click **Payments tab**.

**3.** Enter a payment amount in the Payment Amount Requested field for one or more Federal Award IDs. You can also click on the Upload/Download button to use the MS Excel or XML (XLS, XLSX) processes. Amounts can be +/- dollars & cents.

Payment requests can be entered manually (line by line for each award) or uploaded as MS Excel or XML files. We recommend the upload process for requests containing more than 25 awards. To begin the upload process, click "Upload/Download".

To enter payment requests manually, enter the Payment Amount Requested for an award listed below. You may optionally enter the Recipient Account Number for the award. NSF will retain the Recipient Account Number and prepopulate it for future requests.

If you are requesting that the award be financially closed earlier than its scheduled close date, check the "Final Flag" indicator.

Additionally, if you would like to edit the list of the awards displayed on the screen, click "Edit Award List". This may be helpful if you have a high number of awards, but only need to request funds for a few of those awards.

For more details about the payment request process, view [online help](#).

# Make an Adjustment Request to a Closed Award

1.

To make an adjustment request to a closed award, click on the **Adjustments Tab**.

**Note:** Users can also access a list of closed awards by clicking on the “View Recently Closed Awards” link on the Organization Summary Page or by completing an Advance Award Search and setting the Award Status filter to “Closed”.

The screenshot shows the 'Step 2. Adjustments' tab selected in a three-step process (Step 1. Payments, Step 2. Adjustments, Step 3. Review). Below the tabs, there are instructions for entering adjustment requests, including a 'Justification' text area and 'Validate Awards' and 'Remove Selected' buttons. A table is visible at the bottom with columns for Federal Award ID, Financial Closed Date, Previous Cumulative Cash Disbursement, Balance Available for Upward Adjustment, Balance Available for Downward Adjustment, Adjustment Eligibility Status, and Adjustment Requested. The 'Adjustment Requested' column is highlighted with an orange box.

2.

Enter the Federal Award ID for each closed award you want to adjust and click Validate Awards. You may enter up to 5 awards for validation.

**Note:** You must enter a justification in order to complete an adjustment.

**Note:** The Federal Award must be financially closed to be adjusted and the expenses must have been incurred during the life of the award.

3.

Once a Federal Award ID is validated, the amount available for upward adjustment and downward adjustment will display, as well as eligible, ineligible and downward. Enter the adjustment amount into the Adjustment Requested field. A positive amount represents an upward adjustment. A negative amount represents a downward adjustment.
